Subject: Follow-up re Generic TSCA ICR Request
Attachments: Answers to Questions about the Generic ICR from Nancy Beck_11_15_CR.DOCX; Divided List of Questions for TSCA Generic ICR_8_17_CR.docx

Nancy/Charlotte/Mike,

You'll recall we met earlier this month (on 11/2) concerning the suggestion to establish a generic TSCA ICR. At that meeting, some questions were raised, to which we've provided answers in the attachment. It was also asked that we provide a draft list of the types of questions that could be included in a TSCA industry survey ICR to support risk evaluation and risk management. This information is also provided.

Appreciate your consideration of this information and let me know if anything more is needed to prepare for a discussion with OMB.
